Page 1

I want to file a lawsuit against the following defendants for:  
excessive use of force, neglect to give me medical treatment,  
Physical and emotional stress, Professional misconduct, UN safe environ-  
ment, in humane living condition, Defendants: Captain Frank  
FNU, Lt Brady FNU, Sgt Gilles FNU, Lt Maxiey FNU, Associate warden  
Williams FNU, Associate warden Ms Kerns FNU, Granville Correctional  
Institution, <sup>Joy Davis H-con unit manager</sup> ~~Officer [unclear] FNU~~. I ask to sue all listed  
defendants (above) in their individual and full capacity, I ask  
for a (no jury) trial and I ask for 10 million dollars in  
monetary relief and I am a safe keeper. Defendant (Joy Davis H-con <sup>unit manager</sup>)

(Complaint) - On June 5<sup>th</sup> 2024 at or after shift change  
on Wednesday I had just gotten back to Granville CI/H-con  
unit from Duke regional hospital for a unrelated incident and  
was being dressed to be replaced on S.I.B. (Self Injurious  
behavior) prior to the hospital transport I was already on S.I.B,  
so I told officers that I am not supposed to be housed in  
102 receiving cell due to the policy stating no inmate should be  
housed in a cell without no bunk and no shower because it is  
not considered a housing cell for inmates and the officer went  
and got Ms. Joy Davis the H-con unit manager who stated that  
I was being housed in that cell with no bunk or shower on  
or while on S.I.B because H-con ~~does~~ does not give inmates  
what they wanted. Then Lt Maxiey FNU and Sgt Gilles FNU  
brought me my dinner tray and Sgt Gilles FNU opened my food pass-  
door and I held the tray for the captain/orc of the shift

Page 2

at that time Lt Maxey FNU and Sgt Gilles FNU Walked out of rooming to grab a big canister of ~~the~~ Pepperspray and a Hose modification attached while Lt Brady ~~with~~ FNU stepped to my cell door and said he was going to break all my fingers if I did not remove my hand and I said I will move my hand once I am moved to a housing cell and then Sgt Gilles FNU discreetly put the hose modification on the canister through the back of the cell door (which is also against policy too) and sprayed my face, neck, arms, chest, and stomach while at the same time Lt Brady FNU was bashing my fingers with the baton and I let go ~~of~~ of the food passage door and it was secured then I was waiting to be put in full restraints to go to medical because my left ring finger was split open on the inside of my left palm and blood was every where in the cell on the floor, then Cpt Frank FNU and ~~another~~ <sup>at that time</sup> another officer with nurse ~~was~~ came to my cell door and Cpt Frank FNU asked me twice did I want to have medical treatment and I said yes both times in front of the nurse while she was present at that time because I was bleeding profoundly and my finger was broken and needed stitching and the nurse, Cpt Frank FNU and the other officers went to the nurse station and Cptn Frank FNU and the nurse got into an argument because Cptn Frank FNU told the nurse he was not going to allow me to get medical treatment and he was going to sign that I refused medical treatment.

Pages

The wardens Mr Williams FNU and Ms. Kerns FNU was notified of this incident and my injury's resulting from the incident and refused to intervene in any shape, form or fashion and allowed this incident to happen and allowed me to be housed in a cell with no bunk or shower.

I prose, Plaintiff Dayshawn Beckham ask to be moved to another facility while this complaint is active because it is a conflict of interest against me because all defendants are trying to retaliate against me or will try to retaliate against me ~~while~~ while being housed at Granville CI/H-con as a safekeeper/pre-trial detainee.
